Message

Students often wonder just what effect they will have on the world today. Which brings to mind something which I read many years ago and provided food for thought over the years.

"The world is either better or worse each day as a result of your work and influence. If the world is benefited by the service you render, you are bound to be—there is no power that can rob you of the good which comes from the good you do, likewise, none that can protect you from the harm which comes from the harm you do. The world, your world, is not measured by the reach of your arm or the horizon of your vision but the never ceasing influence of your thoughts and acts. These are always making ripples in the surface of time and these ripples are eternally spreading beyond your most distant expectations."

Each of us in his own way, daily, has an effect upon the people with whom we come in contact. One's influence is rarely felt within a single day but as days build upon days the people with whom we associate are richer or poorer because of our actions.

Earl J. Boggan

Your Board of Education is a representative group of persons elected by the voters to administer the educational program for the school district. They are a legislative body that enjoy broad powers to determine school policy within the framework established by the New York State Constitution and the Legislature.

The Board of Education is responsible for providing educational facilities, staffing and equipment which will conform with the minimum standards as established by the state of New York. Further, the Board of Education has the right to exceed the minimum requirements and most boards of education do this. Your board of Education is no exception in this respect.

Members of the Board of Education serve without financial remuneration. Their only compensation is the knowledge that they are serving their community in providing educational opportunity for the youth and adults.

Library Department

X LIBRARIAN: Mrs. J. Hyde. Assistant: Mrs. M. Kinsky

The library is a service institution. Its function is to provide a desirable and well balanced collection of books and materials fitted for school use. The efficiency of the library depends upon its organization for use by the pupils and teachers. A well organized and well administered school library provides an ideal situation for exploration and wider horizons.

Pupil appreciation grows with its use and they come to realize that it is a place where the opportunity for self-education never ends and is only limited by the individual's persistent use.

The school recognizes recreational reading as a worthwhile leisure occupation and looks to the library to provide both the opportunity for and the materials of pleasurable experiences.

It is the aim of the library to create an atmosphere favorable to the growth of the reading habit and by personal guidance to stimulate an interest in reading and research. Reading is the foundation of one's life-long education.

Class History

The growth and development of the Class of 1963 can be compared to that of a tree.

We began our arduous struggle in high school as young saplings in the autumn of 1959. At our first stage as freshmen at Pine Hill High School, we were unsteady and often times were swayed by the force of stronger elements. To support us were our advisors Mrs. Hammond, Mrs. Giardina, Mr. Distler, and Mrs. Mernan. As president we chose Sharon Young, as vice-president, Sandra Hoos; as secretary, Jo Anne Gervase; and as treasurer, Daniel Urshel. To strengthen us financially, we held a skating party at the Arena Roller Rink in the spring of 1960.

As sophomores we were transplanted into the modern and colorful surroundings of Cheektowaga Central High School. The new environment added stimulus to our growth. It is humorous to recall that first day in the new school. We all were in a dilemma when we attempted to find our rooms. With the assistance of guides we eventually arrived in our assigned rooms. A "Get Acquainted" Dance was held. This brought in an unexpected amount of proceeds to the gratification of all. Chuckling to ourselves we remember learning new dance steps while dancing to the music of Dino and the Bobcats. Leading us were Patricia Becker, as president; Sharon Young, as vice-president; Carol Schultz, as secretary; and Paul Schnobrick, as treasurer. Serving as our able advisors were Mrs. Wisner, Mrs. Giardina, Mrs. Silverstein, Mr. Hartnett, and Mr. Rudewicz.

Definite signs of maturity were displayed as we became juniors. Now some of us were qualified for acceptance into the Senior National Honor Society, a strong branch of our high-school life. The autumn inductees were: Robert Baumgartner, Patricia Bolero, Diane Crigler, Sharon Daut, George Di Pirro, Zoriana Jacyszyn, Elizabeth Motuszewski, Jyoce Meinke, Barbara Mueller, Marjorie Mueller, Sharon Piotrowski, Donald Storm, Raymond Vorwerk, Karen Youells, Sharon Young, and Lorraine Zielinski. In the spring Patricia Becker, Kathleen Mania, and Margaret

Schmahl were inducted. To raise funds for our Junior Prom we sponsored a Harvest Hop. In early spring we were thrilled at receiving our class rings. Quickly the year passed and with it came our unforgettable Junior Prom. The theme was "Fantasy of the Sea" and Theresa Jeziorowski was selected as Queen and Paul Springer was selected as King. The decorations did not seem to be mere paper, but came alive under the soft lights and music of Sonny Michaels and his band. Not to be forgotten were our reliable advisers Mrs. McBride, Miss Scirto, Mrs. Wisner, Mrs. Vogan, and Mr. Hartnett. Our officers were Paul Schnobrick, Jo Anne Gervase, Carol Schultz, and Patricia Bolero serving as president, vice-president, secretary and treasurer respectively.

All too soon our senior year appeared, and in the beginning of the year we eagerly chose Paul Schnobrick again as president; Barbara Mueller, as vice-president; Sharon Piotrowski, as secretary; and Patricia Bolero, as treasurer. Our school spirit was increased immensely by the campaign for Student Council officers and this aided the attendance at our football games. There was some difficulty in determining what our fund-raising project would be; but with the faithful and enthusiastic help of our advisors Miss Sopata, Mrs. Peard, Mr. Mahoney, and Mr. Becker, we finally decided to increase the amount of our class dues and to hold a dance in the fall. It is to them our gratitude is given for a rewarding year. In the spring our glittering Senior Ball and splendid Senior Dinner were held. These evenings will always be cherished in our hearts. Class Day arrived and with it our long awaited graduation. As we received our diplomas, for a split second the events of the past four years seemed to pass before us. Some were joyful and some sorrowful, but all to be remembered.

Now with our roots set in a firm foundation, we the Seniors, having been nurtured toward maturity with fruitful ideas, will take with us a sincere faith in the future and a hope for success for a prosperous life.

LEFT TO RIGHT: J. Janusz, Secretary; G. Szabo, President; R. Letki, Vice President; G. Budzich, Treasurer

In the fall of the year, the Juniors come one step further to graduation. The first project that they had undertaken was to be measured for their class rings. Later on in the year the Junior class sponsored a splash party and a skating party to raise funds for their annual Junior Prom.

The prom was held in May in the school cafeteria. The theme of the prom was "Three Coins in a Fountain." All those who attended had a very enjoyable evening.

The Juniors sincerely wish to thank their advisors, Mr. Granditz, Mr. Hartnett, Mrs. Lancaster, Mrs. McBride, Mr. McHale, and Miss Scirto for the help these teachers gave them during the school year.

On the evening of Friday, November 30, 1962, the Sophomore Class held its first dance in the school cafeteria. The theme was Snowman Frolic where punch and potato chips were served. It turned out to be a great success.

We are all looking forward to becoming juniors when we will enjoy another year of fun and enjoyment at Cheektowaga Central High.

Senior Student Council Officers

FIRST ROW: President, K. Mania; Secretary, K. Nowacki; Treasurer, S. Churchill; Vice-President, B. Muselko

This year the Sr. Student Council initiated a more democratic way of electing officers. Candidates campaigned for one successive week. It was climaxed by a campaign speech before the student body at the election assembly. Voting machines highlighted the student body's participation in the election when each student assumed his role as "student citizen" and cast his ballot. Everyone agreed that this year's election had set the stage for all-out school spirit.

The 1962-63 council attempted several basic and unique projects. Our first big challenge was to create trust in the student body by organizing and presenting a non-teacher assembly in which students were encouraged to discuss openly their views and possible solutions, concerning student problems. The Council's recommendation for a non-proctored lunch period was wholeheartedly supported by the students.

The council also assumed the responsibility of welcoming and acquainting new students to our school and of managing the cloakroom for all school activities.

The Student Council's philosophy of encouraging scholarship was demonstrated by its donation to the Reukauf Memorial Scholarship fund and also by its contribution to the International Fellowship. These latter funds were raised by the pizza sale.

The Council is enrolled in the National and New York State Association of Student Councils.

It is the Council's hope that these accomplishments will establish a solid foundation for future Council's.

Junior Student Council

This year was one of the best for the Junior Student Council. In November the Annual Installation Banquet took place. The officers and the members were installed: Helen Nikiel, President; Betty Budzich, Vice-President; Donna Denz, Secretary; and Timothy Hoelscher, Treasurer.

Our money making activity was the magazine campaign. With some of the proceeds a foreign exchange student program was sponsored and a bus for Junior High Students was paid for to some of the away basketball games.

This year we initiated two new services. Every morning two of our members collected the buff cards from the homeroom teachers. Also, the Junior Student Council and the Senior Student Council set up a monitoring system in the halls.

Appropriate dress for school was again stressed, culminating with Red and White Day.

The Christmas Dance was a festive occasion. And, the teachers were entertained at a Christmas Punch Party.

In the spring there was a Splash Party at which everyone had a hilarious time.

All in all the Junior Student Council had a successful and rewarding year under the capable leadership of their officers and Miss M. Roan.

The Centorial Staff of 1963 has worked hard and long to publish this yearbook which we hope will be enjoyed and appreciated by all. In order to raise funds for its publication the staff held a very successful dance in the Fall, sold refreshments at the home basketball games, and obtained patrons and ads from various organizations and business establishments in the area.

Members of the Centorial staff attended the Western New York Interscholastic Press Association meeting held this year at Amherst Central School. We plan also to attend the Press Day sponsored each year by St. Bonaventure University in Olean.

The **Centurion** began as the **CCHS. News** about the same time our centralized district was organized. Both of these papers had a rich journalistic heritage in the **Pine Torch**, which was the school paper in the Pine Hill school. The name was changed from **CCHS. News** to **The Centurion** as the result of a "name the paper contest", which was held in May, 1962.

Our purpose is to report all news events which transpire in our school and are of interest to the students as well as special attractions. In reporting fairly and impartially, the students who are members of our staff gain valuable knowledge and experience in such varied realms as human relations, publicity, printing, and art work. Also we help to familiarize students with the workings of a real newspaper.

We feel that the year 1962-1963 has been an especially fruitful one. Our year is highlighted mainly by the purchase of a new printing machine last June. This machine makes it possible for us to render the best possible editions of our paper and permits varied art work both in decorations and photography. Our staff also had a dance this year on November 16. The staff also planned visits to either the **Courier Express** or **Buffalo Evening News** or **St. Bonaventures College** to augment the general knowledge of our staff concerning newspaper work.

We feel that we have had a most enjoyable year this year and a very productive one. We are looking for an even better year next year, as we constantly try to do our best to contribute to the school life of the students by giving them an accurate and interesting school newspaper.

MUSIC DEPARTMENT

The Music Department added, this year, a new group to its family of organizations, a Boys' Glee Club, consisting of boys in grades nine through twelve

Other organizations of the department are a Junior-Senior High Bandestra (so called due to the incorporation of strings in the band) consisting of students in grades seven through twelve, a Junior High Chorus consisting of boys and girls in grades seven and eight, a Senior High Girls' Chorus consisting of girls in grades nine through twelve and the Choraleers consisting of a select group of girls in grades nine through twelve

The Band plays for the home football games and the Bandestra plays for the school assemblies and other public programs and meetings. The Bandestra and all the other music organizations prepare for certain programs such as the Christmas Program and the Spring Concert.

It is the desire of the music department to expose you to the rich rewards of music—vocal and instrumental. Here you learn not only to express and interpret great music, to become adept in playing an instrument or singing, but far more important, you learn cooperation, character, dependability, sharing, and giving your talents to an organization and school for the rich enjoyment of all

Budding young thespians in grades 7-12 have joined together to form the Dramatics Club of CCHS. The accomplishments of this group were exemplified in the two main productions presented during this school year. One of these was presented at a drama festival at Alfred University, and the other was presented by the group in an assembly for the enjoyment of the faculty and the student body. The members of this club have acquired invaluable confidence and experience which will benefit them in their later life.

In the spring of the year, the Drama Club with the assistance of the Senior Class put on a spring play, "Home Sweet Homicide."

To live up to the standards of the Hi-Y, which is affiliated with the Y M C A., the girls not only perform services to the school and community but also have many hours of enjoyment and pleasure. The Hi-Y has made Christmas stockings for the children at Meyer Memorial Hospital, has sponsored a dance, has donated a Thanksgiving food basket to a family in need, and has sold candy.

Through the efforts of Miss Lemonis and Mrs. Peard, the advisors of the girls, the Hi-Y has had another profitable and satisfying year.

International Fellowship Program

This year Cheektowaga Central has had the pleasure of being visited by Gloria Ines Rojas of Bucaramanga, Colombia. Gloria, 17 years old, came to Cheektowaga in November under the International Fellowship Program. She is spending a delightful three months with the Becker family.

Gloria, one of twelve children, graduated from Colegio de la Santisima, Trinidad, two weeks before she arrived here. At Cheektowaga Central she is following a college entrance course. Upon her return to Colombia, Gloria will enter the University to pursue the study of architecture.

Dancing and participating in sports are Gloria's favorite pastimes. While here she has become very fond of tobogganing and ice skating.

When Gloria leaves we will all miss her friendly smile and warm "Buenos Dias."

The Cheektowaga Central Warriors experienced an unsuccessful year with one win and six losses. The main reason for the off year was inexperience. Our football team played with only six seniors, Raymond Bushley, Knute Carlson, Edward Foy, William Nadrowski, Randolph Ritz, and Edward Sikorski. This year's co-captains were Edward Sikorski and Richard Brezowski. Our first game was an inter-divisional contest at Southwestern, we were defeated when Southwestern scored three times for 20 to 0 victory. Two weeks later we played host to Eden, we suffered a 13 to 7 defeat. The following week our defeat was at the hands of a powerful Sweet Home team, we lost by an earthshaking score of 40 to 7. Our next contest ended in a 20 to 7 defeat against first placed Alden. Our game against J. F. K. also proved disastrous as we lost 20 to 13 in a

hard fought battle. Our last defeat was by the slim margin of 14 to 7 against Depew. For our last game the team journeyed to Springville for an inter-divisional contest. At Springville the team won its first game by the score of 20 to 14. Edward Sikorski was placed on the All-Star Football team for his performances. Richard Brezowski was placed on the second team while Joseph Glogowski and David Snyder received honorable mention.

Cheektowaga Central Basketball Warriors enjoyed a most successful season taking the Division III crown for the second consecutive year.

The season opened on our court against the Alden Bulldogs. Our Warriors outscored Alden from the field 40-36 but lost the game at the foul line as Alden sank 27 to our 17. Our team then beat J. F. K. 37-35 in a hard fought battle on their court. The next two games were interdivisional contests, the first was lost to Maryvale but the team bounced back to beat Clarence. In the Maryvale game Bill Boltz scored 30 points and pulled down 20 rebounds for two home game records. The team then scored its third victory over Depew 59 to 47. The next game was another interdivisional contest at Maryvale in which the team lost 69 to 51.

The team then started a nine game winning streak with a 58 to 45 victory over Holland. The Warriors then beat North Collins 50 to 25. A 52

to 41 victory was scored over Eden for our 3rd win in a row. The team's next victory was over Alden who was in first place at the time, from here on in Cheektowaga Central remained on top. Our Warriors played another close game beating J.F.K. 48 to 47. In our last interdivisional game, we beat Clarence 51 to 47. Cheektowaga then scored decisive victories over Depew, Holland, and North Collins. The final game of the season was played at Eden where we bowed to the Raiders 42 to 35.

Four Seniors will not return next year, they are Bill Boltz, Jim Elsaesser, Joe Nikiel and Ed Foy. The team's co-captains were seniors Bill Boltz and Jim Elsaesser. The team's great success was due largely to the efforts of Mr. Moyce, the team coach, who did a fine job training the boys for their last basketball season in Division III.

The purpose of the Cheektowaga Central Lettermen's Club is (1) to promote all sports and athletics at Cheektowaga Central (2) to promote sportsmanship and fair play in all activities and (3) to encourage underclassmen to participate in school sports. Membership is open to any student who has earned a major letter.

There are also privileges extended to every letterman. They may get in every home game of football, basketball, track, etc. free of charge. Last year the Lettermens' Club had a banquet at which time all lettermen brought their fathers. All lettermen received their letters and pin they earned in their respective sport. These are one of the many privileges extended to all lettermen.

Every year the Lettermens' Club sponsors a

sports night. The money earned from this sports-night is used for buying school jackets for all senior boys, who are members of the club.

There are also duties connected with membership in this group. At every home game of football, the lettermen sell refreshments and programs. At the home games of basketball the lettermen referee the freshmen basketball game between halftimes and they also collect tickets at these games.

The Lettermens' Club is fairly new. It was started in 1959 by Mr. Frazer. Now Mr. Moyce heads the club. A constitution has been drawn to protect the rights of all lettermen. Each member has the right to vote on all matters brought up at their meetings.

INTRAMURAL SPORTS

As in the past years, Mr. Frazer has supervised the seventh and eighth grade intramurals program. A few of the sports that the Jr. High Students participate in during the year are football, swimming, wrestling, apparatus, track, bowling, baseball, and volleyball.

The purpose of the intramural program is to increase the skill of the seventh and eighth graders, prepare them for varsity sports, and increase the physical capability of each boy. It also gives the boys who participate an extra three gym days a week. They become acquainted with the skills of the game and the conduct necessary for good sportsmanship.

The main objectives of the Girls' Athletic Association are to promote interest in Athletic participation and to inspire good sportsmanship.

In achieving these objectives the G.A.A., under the capable leadership of its officers and advisor Mrs. Rizzo, provided a wide variety of activities.

Every girl had the opportunity to participate in numerous sports activities ranging from soccer, basketball and tumbling to the main highlight of the year—the water ballet.

Not all the activities were centered around sports. In order to raise money for its scholarship fund and other purposes, the G.A.A. sold candy, held a dance and a sportsnight.

The year was climaxed with the annual senior Mother and Daughter Banquet and the picnic at Mirror Lake.

This year proved to be a prosperous and enjoyable one for the G.A.A. and the girls who participated in its events.

THE JUNIOR HIGH G.A.A.

Miss Fogarty and the Junior High Girls' Athletic Association have succeeded again this year in providing invigorating sports for the enjoyment and gratification of the girls.

Lorraine Wagner was chosen as president, Glenda Lease as Vice President, Susan Benz as Secretary, and Janice Burzynski as Treasurer.

The girls journeyed to Williamsville High School for a volleyball game. They played an energetic game and tried their best, but unfortunately they lost.

Their activities during the 1962-1963 school year consisted of various sports such as basketball, volleyball, and tumbling on Wednesdays and Thursdays, swimming on Mondays and Fridays, and a picnic in the spring.

As in the past, their efforts helped to make the water ballet an enormous success.

Having gained the invaluable experience as members of the Junior High G.A.A., the girls will be well qualified and eager for membership in the Senior G.A.A.
